

REMARKS

Applicants have amended the claims to comply with US standards. Additionally, claims 5, 7-9 and 11 have been amended to eliminate the use of improper multiple dependent claim language. No new matter has been incorporated into the application as a result of the amendment made herein to the claims.

The Examiner has objected to the Drawings under 37 CFR 1.83(a) in Paragraph 1 of the Office Action. In response thereto, Applicants have canceled all figures from the application and amended the specification to delete reference to the figures.

The Examiner has objected to claims 5, 7-9 and 11 in Paragraph 3 of the Office Action as being in improper multiple dependent claim form. Applicants have amended these claims to depend from claim 1. Since these claims have been made to depend from an allowed claim, all claims are now in condition for allowance.

Applicants acknowledge the Examiner's indication in Paragraph 4 of the Office Action that claims 1-4, 6 and 10 are allowed. Allowance of the application is respectfully requested.

Respectfully submitted,
